## CAREERS IN FILMMAKING

## WHERE DO YOU FIT IN?

The number of crew members on a film can vary widely depending on the size of the production.

## **PRODUCTION: PRINCIPAL PHOTOGRAPH**

Production: The phase when filming takes place, led by the director. Also known as principal photography.

	Producers	Directors		
Story Development	Executive Producer	Director	Casting

γ	Prod. Coordinator			
	Asst. Coordinator			
	Trainee Coordinator			
	Office Prod. Asst.			
	Set Runner			

## **DEVELOPMENT & PRE-PRODUCTION**

Development: The process of fleshing out a script and clarifying the story before a film can be given the greenlight for production.

**Pre-Production:** The planning stage before a film begins shooting; includes casting and hiring senior designers to prepare for production.
